Rocky Mountain Winter Conference

ON EMERGENCY MEDICINE

We would like to invite you to join us for the Rocky Mountain Conference on Emergency Medicine, held at the beautiful Copper Mountain Resort, just 60 minutes from Denver, Colorado. The conference has an exciting fresh curriculum, which opens with a keynote from Roger Barkin on "Pediatrics In the ED: Past, Present, Future" and includes a broad spectrum of Emergency Medicine topics, ultrasound workshops and a brand new Pediatric SIM lab. We have gathered together expert faculty from seven of the top emergency medicine training programs bringing you evidence-based, cutting edge information. The program is designed to make the most of your time in Copper Mountain. Lectures wrap up late morning so that you may have the day to enjoy all of the exciting activities on the mountain. We gather again for the late afternoon session accompanied by après-ski refreshments.

If you haven't had the opportunity to experience Copper Mountain Resort, you are in for a treat. This winter wonderland nestled in the breathtaking Rocky Mountains has something for everyone in the family to enjoy. From snow tubing down the mountain, ice-skating on West Lake, snowshoeing on a scenic trail, to a cozy sleigh ride followed by fireside hot chocolate and s'mores. Or for the more adventurous, there's world-class skiing and snowboarding, dog sledding and snowmobiling. Bring your family and enjoy a fun week of ski-CME!

*"Excellent lectures and faculty,
excellent pertinence of lectures."*

*"Great topics/speakers balanced with
friendly activities. Great food and
accommodation."*

*"Great lectures, outstanding venues,
good pricing."*

COPPER MOUNTAIN OFFERS FUN FOR THE ENTIRE FAMILY

The conference will be held at Copper Mountain, Colorado. This premier ski resort, located 75 miles west of Denver, offers a wide variety of skiable terrain for beginners to advanced skiers. Copper Mountain is a favorite resort of both locals and tourists. Copper's Ski and Snowboarding school is one of the best in Colorado. Discounted lift tickets will be available to conference participants. The resort and surrounding area offers skiing, snowboarding, a tubing hill, snowshoeing, snowmobile/snowcat tours, dog sledding, sleigh rides, and ice-skating.

ACCOMMODATIONS

Gold: Gold units include an in-house exercise room, hot tub, sauna, and free under-ground parking. They are located just a few steps away from the Copper Conference Center and are in the heart of the Village at Copper.

Silver: Silver accommodations are well designed for comfort. They are located in the Village at Copper close to the Copper Conference Center.

All Copper Mountain lodging guests will receive complimentary use of the pool, weight room, cardiovascular equipment, spas, saunas, and steam rooms at the Copper Mountain Athletic Club (located at the Reception Center).
